

Exclusively from

The uniquely designed **14** edger

Maximize your edging possibilities with the revolutionary CCI 4in1 Edger™. Just by simply turning this uniquely designed block you can obtain four distinct styles!!

The CCI 4in1 Edger™ is surely the most versatile edger available today - one block, four designs: scallop, bullnose, bevel or picket finish.

- The CCI 4in1 Edger™ is available in Sandstone or Charcoal colours and its unique design will compliment any of your project needs e.g. walkways, driveways, flower beds and much more.
